

July 2008

Coaches:

On behalf of the Glen Ellyn Youth Baseball Association, I would like to thank you for participating in this year's Glen Ellyn Classic. We are anticipating a great tournament (dry & sunny) and look forward to playing in a competitive, yet sportsmanlike and respectful atmosphere.

Please do the following immediately:

- You must email in your roster on or before July 23rd to boldrunner1@msn.com or fax to 630.545.2734. Roster template attached.
- You also need to fax to us a copy of your insurance certificate. Or you may present it when checking your team in at the tournament. ***Your team will not be able to take the field without a filled out roster and a certificate of insurance naming the Glen Ellyn Park District as an insured.***
- If needed, please add or modify e-mail addresses as needed as all further correspondence or alterations will be delivered to you via e-mail and will be posted at www.glenellynbaseball.org.

This year's tournament will:

- Feature a great line up of local teams.
- Be played at the Village Green complex (see attached map). When you enter the Village Green parking lot take an immediate left into the parking lot, where you should see batting cages and fields. We will be playing on 2 fields, VG-4 & VG-5.
- Have tents set up between the 2 fields that will house the check in/ scheduling/ and scorekeeping functions. In addition, there will be concessions in this location as well including grilled items, drinks, and snacks. Please remember to bring the proper credentials for your teams (birth certificates, rosters, insurance certificate) to the check in tent.

If you are not familiar with Village Green, the fields are in good shape, but there are not a lot of bleacher areas or shade, so you will want to remind your parents to bring chairs, sunscreen, and perhaps an umbrella. There are also plenty of businesses within a mile of the complex for any necessities that you may need.

Attached with this package, you will find the roster form and field location map. It's all pretty straight forward, but if you have any questions or need any clarifications, please do not hesitate to contact me as listed below.

Thanks again for your participation and we look forward to a great tournament.

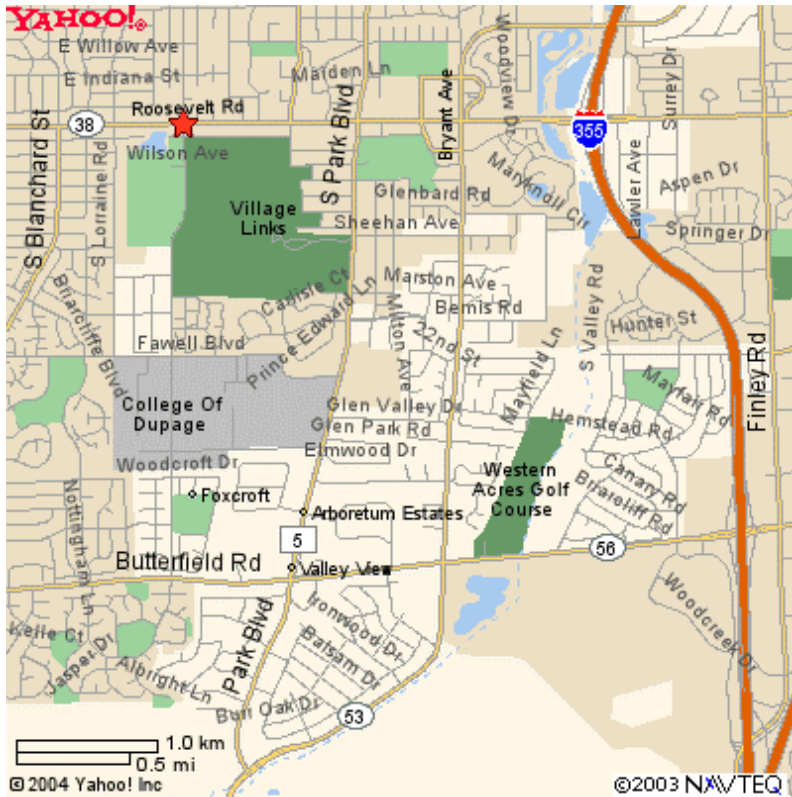

Regards,
