

July 2008

Coaches:

On behalf of the Glen Ellyn Youth Baseball Association, we would like to thank you for participating in this year's Glen Ellyn Summer Classic for 14 year olds from July 10-13. We are anticipating a great tournament (dry & sunny) and look forward to playing in a competitive, yet sportsmanlike and respectful atmosphere.

If needed, please add or modify e-mail addresses as all further correspondences or alterations will be delivered to you via e-mail.

Please bring the following with you to the check-in table prior to your first game:

- A completed roster. Please use the attached file.
- A copy of your insurance certificate. ***Your team will not be able to take the field without a certificate of insurance naming the Glen Ellyn Park District as an insured.***
- Copies of your players' birth certificates.

This year's tournament will:

- Feature a great line up of 20 regional teams. Brackets have been provided in a separate file.
- Be played at the Village Green complex on fields 1, 2 and 3 (see attached maps).
- Have tents set up between the two fields at Village Green that will house the check in/scheduling/scorekeeping functions. In addition, there will be concessions at this location, including grilled items, drinks, and snacks.

If you are not familiar with Village Green, the fields are in great shape, but there are not a lot of bleacher areas or shade near the fields, so you will want to remind your parents to bring chairs, sunscreen, and perhaps an umbrella. There are also plenty of businesses within a mile of the complex for any necessities that you may need.

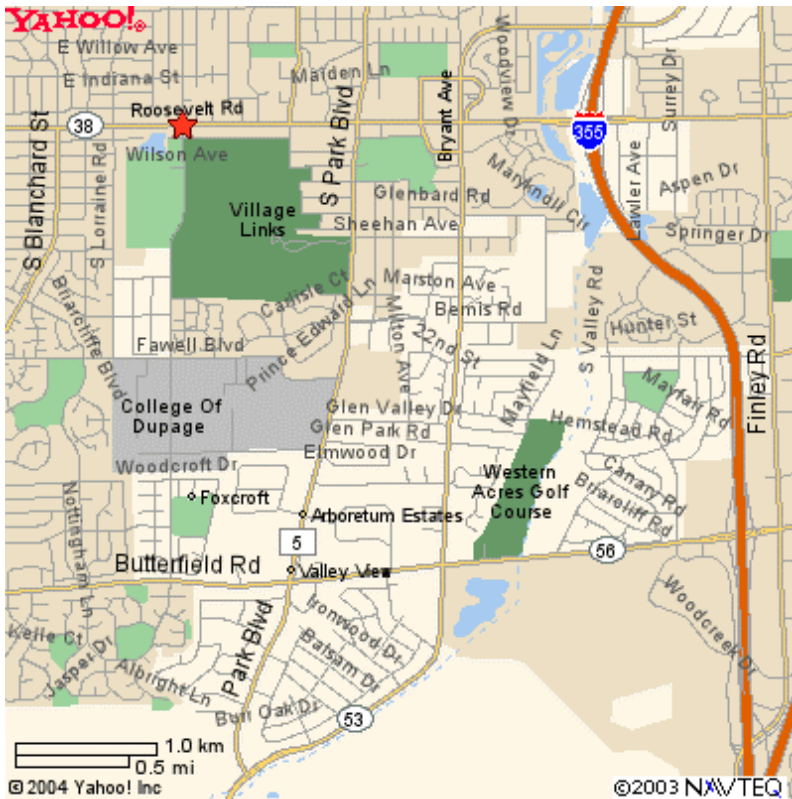

Attached with this cover letter, you will find the roster form and field location map. If you have any questions or need any clarifications, please do not hesitate to contact me as listed below.

In the event of inclement weather, please call our weather hotline number at 630-858-0920 for updates.

Thanks again for your participation and we look forward to a great tournament.

Regards,

Ray Moen
